

ON GARDA CORRUPTION AND THE TREATMENT OF WHISTLEBLOWERS

Courtesy: <https://thepressnet.com/2016/05/25/ireland-gardai-who-whistle-blow-on-corruption/>

Gardai who whistle blow on corruption, sexual assaults involving senior gardai and the justice department are being intimidated , harassed, bullied, falsely arrested, falsely accused of trumped up charges by High Ranking Officers, so as to ruin their reputation and make people believe they are criminals, when in fact its the high ranking officers that are corrupt. Hundreds of gardai are suffering appalling intimidation at the hands of these high ranking political appointed bullies. These whistle blowers are being forced to retire, resign, take a care break etc

Senior gardai get NBCI to investigate and stitch up the members who are whistle blowing so as to drive them over the edge and drop their complaints of corruption. More then 20 gardai/sergeants have reported corruption and have been bullied and intimidated so badly, some even contemplated suicide.

Below a few recent bullying cases all of them covered up by the justice departments

Gardai have no where to turn to, to report sexual assaults, harassment by corrupt senior gardai, their last resort is to send letters and emails around.

A witch hunt was set up by NBCI and senior gardai to catch the gardai who were reporting the true corruption being committed by commissioner Fintan Fanning , Derek Byrne and John O Mahoney.

A number of gardai have committed suicide as a result of senior garda bullying and it is not getting any better for garda whistle blowers. The continued abuse of garda whistle blowers has to stop by corrupt political appointed senior gardai.

Every garda and sergeant that reported senior garda corruption to Oliver Connelly was warned off or ignored and then isolated and bullied/intimidated/harassed on the orders of senior garda management.

“John Wilson said he made a formal complaint on April 4th, 2012 to the then confidential recipient, Oliver Connolly, but he received no response” ignored just like a numerous other gardai.

The People of Ireland and whistle blowers need a public inquiry into corruption . Every serving, retired, gardai on career breaks, resigned and suspended Garda member needs to be asked to talk about the corruption that is epidemic in the force, but it needs to be totally independent of senior gardai.

<https://justiceforpanelreviewvictims.wordpress.com/2015/02/14/a-number-of-gardai-have-committed-suicide-as-a-result-of-senior-garda-bullying-and-it-is-not-getting-any-better-for-garda-whistle-blowers-please-share-and-help-expose-this/>

“Most of the shocking incidents highlighted by Sgt McCabe took place within the Cavan/Monaghan division – what would emerge if the other 27 Garda divisions were investigated?” This is what whistleblowers and the people of Ireland want.
