I wish it noted that I have supplied the 'Informations' on Form 15.3 "in common language" as required by legislation and precedent, and have accompanied the same with Form 15.1 for the issuance of a summons.

I respectfully draw the attention of the Court that according to Common Law, to current legislation, to long-standing precedent and to the aforesaid Superior Court rulings; that provided I have demonstrated *prima facie* evidence of the crime alleged, that this Court is obliged to issue said summons without further delay or prevarication, and I respectfully require that it does so.

I further note that the Courts Service has sent a comprehensive memo in 2015 to all District Court Judges advising them of the procedures and protocols to be followed, and that should there be any doubt or confusion on the part of this Court as to how to proceed, that I hold in my possession details of the aforesaid legislation, legal precedents and Superior Court rulings for the information of this Court – for the prompt and speedy advancement of this case.

In light of a number of previous 'difficulties' in advancing legitimate private prosecutions via the Irish District Courts, I regret I must respectfully advise this Court that in the event that any Officer of this Court attempts to improperly obstruct, delay, forestall or otherwise prevent this matter from advancing today; that any such action may be interpreted either/or as;

- (i) a corrupt act, or misconduct in public office;

Which are each criminal offences as against *S.1 of the Prevention of Corruption Act 1906*, and/or *S.41 of the Criminal Justice Act 1999*, or *S.71 of the Criminal Justice Act 2006* respectively, which will result in the appropriate action being taken according to law.
